

"It's Like Recess, but for the brain"

STEM CAMP

IN THE SMARTLAB

Camp will be May 29-June 1

Students can attend 1 of 2 sessions

Session 1~ 7:30a.m.-10:00a.m.

Session 2~10:00a.m.-12:30p.m.

Friday's Session for all students 9:00a.m.-
12:00p.m.

We will cap each session at 40 students on a first come basis. Registration will close when sessions are filled.

Who Can Attend?

Any Intermediate School Student.

What can you expect from STEM camp?

Children will be challenged like never before through their STEM camp experiences in the Smartlab. Kids will be engaged in a number of different experiences including: structural engineering, EV3 robotics, 3-D design and printing, and mechanics and structures.

CAMP OUTLINE

*Tuesday-Thursday= Students will be working on project or projects.

*Friday=Students will spend the morning presenting their projects to a panel of judges as well as family and friends. Catered meal at 11:00 for awards ceremony!
